North East Eules Property Owners

Please check one of the following:

- I have already signed a gas lease
 I have NOT yet signed a gas lease and will wait to see what NEEPO can do for me
 I am not interested. Please do not contact me further.

Please provide the following for your Eules property:

Please fill out this information as it is listed on your property Deed if possible. This will allow the energy company to verify your mineral rights more quickly once we reach the signing phase. If you cannot find your Deed or information, just enter your full name(s) as completely as possible. If you are an investor owning multiple properties in our area, you should submit multiple forms. This increases our power in negotiation with more addresses that we can list. Do not list other properties outside our area which would probably be rejected in the negotiations. We have no way of checking your Deed or mineral rights for you. Please contact your mortgage company to confirm your mineral rights ownership.
